### Show News

The 75th Wee Waa Show will be held Friday 22nd and Saturday 23rd May celebrating with the theme "Step Back in Time". The committee has been busy with many new events being organised. A competition has been established to encourage all business houses to become involved by setting up a display. In or around their business houses. A Twilight Rodeo featuring an eight-event programme will be held on Saturday night. A street parade is being planned for the Saturday morning with all members of the community being encouraged to participate. Check out the new section of the Wee Waa Site all about this years show.

### Photography Section

This year being the 75th Annual Show at Wee Waa the Photography Section is hoping once again for a big display. This section has increased over the past years and we would like to thank all those people who have contributed to making it such a success. To mark this 75th Show, a special section (11a in the schedule) has been included this being: A story or sequence, maximum 3 prints (black/white, sepia or colour) with images no larger than 18/13cm (mounted on a sheet of cardboard, with maximum 3 cm borders), with the theme being "From the Old to the New". The choice of subject matter is yours, as long as the covers 50 plus years in the three photos. Along with the usual sections in the display this year a special non-competitive section is being included. To help promote the 75th Annual Show we are asking for anyone who would like to ever a collection of photographs showing 4 or 5 generations of the one family. We are sure there are quite a few family's out there with 4 or 5 generations, and thought it would be of interest to the many visitors we have to the Wee Waa Show. This is not printed in the show schedule but further information can be obtained by calling the Stewards Bruce or Kay 67954233 **more show news soon**
